### Product Installation: Registering a MeasureUp Product Key

## Registering a MeasureUp Product Key

When you make a purchase you must first register the Product Key before you will see the product in your Learning Locker. Your Product Key is included in the order notification you receive after a purchase has been made.

To register the product please follow these steps:

1) Log in and go to your Learning Locker. If you want more details about how to login, please see the article How to login. If you are using a PLS (Partner Labeled Site), see the article PLS Users: how to create an account and login for detailed information.

2) Once you are in your Learning Locker, click the "Register Key" button on the Learning Locker toolbar.
